REACH MORE

VARR gaming chairs are created for the most demanding users. Play or work long hours without feeling tired and uncomfortable. The highest quality materials, advanced design and regulation - these are the technologies that will take care of your comfort and health.

CONSTRUCTION INSPIRED BY MOTOR SPORTS

VARR gaming chairs are created for the most We were inspired by sports car seats, whose shape perfectly adapts to the human body. Thanks to the use of such a concept, VARR gaming chairs allow for better weight distribution, prevent tilts and allow a more comfortable position in front of the computer.

YOU ARE A HERO

Sit back and feel like a Formula 1 driver. The swivel seat has a butterfly lifting mechanism with a gas lift, so that the seat will fit into your body.

ADJUSTABLE ARMRESTS

In order to provide even more comfort, in the VARR armchairs we used adjustable armrests in several planes.

FREEDOM OF MOVEMENT

Wheels made of nylon allow even smoother sliding and increased durability. Their coating is friendly to most types of surfaces.
