REACH MORE

VARR gaming chairs are created for the most demanding users. Play or work long hours without feeling tired and uncomfortable. The highest quality materials, advanced design and regulation - these are the technologies that will take care of your comfort and health.

CONSTRUCTION INSPIRED BY MOTOR SPORTS

VARR gaming chairs are created for the most We were inspired by sports car seats, whose shape perfectly adapts to the human body. Thanks to the use of such a concept, VARR gaming chairs allow for better weight distribution, prevent tilts and allow a more comfortable position in front of the computer.
